# The Type 38 Arisaka

## *Revised Edition*

A Study Of The Japanese Type Rifles And Carbines Based Upon The Type 38 Arisaka, Their Variations And History

by Francis C. Allan and Harold W. Macy

This *REVISED EDITION* is an in depth updated version of the earlier book. Most of the original black & white photographs have been replaced by superior color versions. These photographs cover every series and variation, including foreign sales and variations. Much of the information appearing in the original version of the book has been updated as collectors reported additional information and further research was completed. Details: Soft cover, spiral bound, 326 pages.

三八式

Cost: \$110 including postage within the U.S. (non-U.S. orders add additional postage)
